

ROCK OUT Diabetes Day!

Great project for student councils to lead in school!

Kids Helping Kids with diabetes during National Diabetes Month in November 2011

Camp Hertko Hollow is a camp for kids with Type 1 and Type 2 diabetes. It is an organization that has given kids for over 44 years the education and skills they need to manage their diabetes.

Placed in a camp setting like any other kid could enjoy. Camp Hertko provides around the clock medical staff to educate & care for the kids as they engage in adventurous & fun activities.

Expenses for one camper exceeds \$1,000 per week.

Our goal is to raise enough money to cover all camperships for children who attend Camp Hertko Hollow to alleviate the cost of camp from all families who deal with diabetes. It is important to note that no money from national diabetes organizations go to this camp.

Please contact us to see just how easy this can be to start at your school.

Suggested Ideas Include:

Personal Electronic Day

This could be an option to use electronics/cell phones/ipods at recess or lunch or a specified time during the day.

\$5 participant

Rock Star Dress up Day

Have some fun and allow kids that want to donate to a good cause to dress up as their favorite rock star for the day.

\$3 participant

Hat Day

This is probably the most common theme that we have had schools participate in but certainly not the only option.

\$2 participant

Diabetes Day

The above items are popular themes that other schools utilize but we can work with you to create a custom event that works for your school.

Diabetes Day
